The Waynesville Hamfest 2020 scheduled for July 25th is Cancelled

Following orders from the Governor of North Carolina and the North Carolina Department of Health and Human Services, **fairgrounds such as the Smoky Mountain Event Center (formerly known as the Haywood County Fairgrounds) are not hosting events with anticipated attendance of more than 50 people**, due to COVID-19. Unfortunately, no one can say when this restriction will be eased or what limitation will replace it. Therefore the 2020 Waynesville Hamfest is cancelled.

Thanks to all our vendors, attendees, presenters and volunteers for your support and we hope you have a great year.

We look forward to seeing everyone NEXT JULY for the Waynesville Hamfest 2021, which we hope to make something extra special!
