President's Microphone...

This year's Field Day has come and gone. Thanks to everyone who turned out to operate, assist with setup/shutdown, renew acquaintances, or just to see hams in action. Thanks once again to our hosts, Buncombe County Emergency Management, and the US Veterans Administration Hospital, and to Able Rent-A-Jon for their help as well. WCARS this year should be scored as an 8F category participant, scores will be totaled and published later. Hope to see everyone at the next club meeting.

KB4C Award for outstanding contributions to emergency and public service communications in Western North Carolina will be announced at the WCARS Hamfest on July 26th.

This award is to honor an area amateur who is active in serving the community through amateur radio. Previous recipients of this award were: K4AIF, WD4CNZ, K7DXF, K4YYR, KF4MRH, AE4HJ, KC4QPR, N2JLE, WA4GTT, K4BNP, KF4ZDS, W4DK, and AF4HX.

The award is named in honor of A-1 operator Miriam Smith, KB4C who became a silent key in July 1995. She was one of those amateur radio operators who felt more deeply about her license and commitment to emergency communications than many of the "hams" in the area.

Field Day (FD)

WCARS FD concluded on June 29th with

numerous contacts logged. This year's event

should put the clubs participation in category

8F for scoring purposes. Text and pictures will

be included in next months Smoke Test.

Silent Keys

With deep regret WCARS records the loss of fellow amateur Gary L. Bartlett, Swannanoa, NC, who died Memorial Day, Monday, May 26, 2008, peacefully, at his home. A U.S. Air Force veteran, Mr. Bartlett was known in the ham community as N4ZOT (KC4QMN).

WCARS must also say goodbye to Mr. John Thomas Ledford, Vale, NC, who died Sunday, June 15, 2008, at Grace Hospital. Known as W4JL (N4GOQ), Mr. Ledford served as treasurer of the Shelby Amateur Radio Club, was a former Hamfest chairman for the club, and performed numerous other functions in furtherance of amateur radio and his club.

ARRL Continuing Education Online Course Registration

(Jun 26, 2008) -- remains open through Sunday, July

6, 2008 for these online course sessions beginning on Friday, July 18, 2008: Amateur Radio Emergency Communications Level 2 (EC-002), Amateur Radio Emergency Communications Level 3 (EC-003R2), Antenna Modeling (EC-004), HF Digital Communications (EC-005), VHF/UHF -- Life Beyond the Repeater (EC-008), and Radio Frequency Propagation (EC-011). Each online course has been developed in segments -- learning units with objectives, informative text, student activities and quizzes. Courses are interactive, and some include direct communications with a Mentor/Instructor. Students register for a particular session that may be 8, 12 or 16 weeks (depending on the course) and they may access the course at any time of day during the course period, completing lessons and activities at times convenient for their personal schedule. Mentors assist students by answering questions, reviewing assignments and activities, as well as providing helpful feedback. Interaction with mentors is conducted through e-mail; there is no appointed time the student must be present -- allowing complete flexibility for the student to work when and where it is convenient. To learn more, visit the Continuing Education course-listing page or contact the Continuing Education Program Coordinator.

WCARS-VE Exams were conducted in late April and into June. License Class Codes are: T=Technician, G=General, E=Extra. WCARS congratulates each licensee on his/her accomplishment. Thanks to each VE team member for their volunteer efforts in furtherance of amateur radio.

Thank You! Thank You! Thank You!

Thanks for coming out to support Meals On Wheels and the Wheel Ride for Food event! Your dedication and desire to see Meals On Wheels succeed in all endeavors is awesome. Time is valuable and the time a volunteer gives to Meals On Wheels is greatly appreciated. Because of your help, our first cycling event was a great success! We had a total of 138 riders and hope to have quite a few more next year. We hope you will keep us in mind for next year. Our second annual Wheel Ride for Food event will be on May 30, 2009.

Thanks again,

Aubry Good

Thanks for EVERYTHING!!! Tommy, you were
such great help! I appreciate all your help in
getting the HAM Radio Operators coordinated. The
cycling event wouldn't have been as successful
without your help!!! It was such a pleasure to work
with all of you & I hope you will keep us in
mind for next year!
Thanks,
Aubryü*
