President's Microphone

Scott McCabe, W4IYS

The following note should be self explanatory but we will talk about it at the meeting next week.

"I am finalizing plans for the 2010 Blue Ridge Bonanza. The date is September 18-19.

Will the Western Carolina ARC participate again this year? If so, will You be the contact person?

In the past, your group has operated as the Mount Pisgah MP.

Looking forward to hearing from you.

Phil Roark, K4WFO
VP Roanoke Valley ARC
540-387-4487

FCC to Allow Government Drills Without a Waiver as of September 3

In July, the FCC released a Report and Order (R&O) that amended Part 97 -- more specifically Section 97.113 -- stating that government entities sponsoring disaster and emergency drills will no longer need to apply for a waiver to hold these drills.

Additionally, employees who wish to participate in non-government-sponsored drills and exercises may do so under certain conditions.

Part 97 is the portion of the Commission's rules that govern the Amateur Radio Service. In the August 4th edition of the Federal Register, the FCC issued a summary of the R&O entitled Amendment of the Commission's Rules Regarding Amateur Radio Service Communications During Government Disaster Drills -- noting that the effective date of these new rules will be September 3, 2010.

HAMFESTS

Shelby (the "Granddaddy") Sept. 4-5, 1303 Dallas-Cherryville Highway, Dallas, NC 28034 Talk-In 146.88 and 147.12 Details at <www.shelbyhamfest.org>.

Virginia Beach Hamfest (an official Roanoke Div. Hamfest) Sept. 11, Virginia Beach Convention Center, Virginia Beach, VA. Talk-In 146.97. More info at <www.vbhamfest.com>.

September MEETING

The next WCARS meeting will be
September 2nd at 7:30 PM
in the Simpson Building Auditorium
at A-B Tech on Victory Road, Asheville.

PROGRAM

Dean Blair, K2JB will present the meeting program about the two days he spent on the US Aircraft Carrier Dwight D. Eisenhower and share his experiences.

Words of wisdom from an Old Tennessee Farmer:

*Most of the stuff people worry about
ain't never gonna happen anyway.*

NORTH CAROLINA SECTION NEWS

Bill Morine, N2COP. NC Section Manager

75th ANNIVERSARY FOR ARES

In the September issue of QST you will see articles celebrating the 75th anniversary for Amateur Radio Emergency Services. We in North Carolina have a great ARES team so we salute all the ARES volunteers who have contributed their services during and after disasters over the past three quarters of a century.

For those of you going to the Shelby Hamfest, Section Emergency Coordinator (SEC) Tom Brown, N4TAB, and Central Branch Asst. Section Emergency Coordinator (ASEC) Steve Misel, K4WEB, will host an ARES forum on Saturday at 12:30 PM to discuss the many positive changes in North Carolina ARES.

MINUTES - AUGUST 5, 2010

Bob Dockery, WD4CNZ, Secretary

The August 5, 2010, monthly meeting of WCARS was held in the Simpson Building, AB Tech Community College at 7:30-pm.

President Scott McCabe W4IYS welcomed everyone and asked all to join in the Pledge of Allegiance to the Flag.

All present introduced themselves with name, callsign, and QTH.

The Minutes of the previous meeting were published in the club newsletter, SMOKETEST, August issue.

Tickets were sold for the 50-50 drawing. 1/2 of the proceeds go to the winner and 1/2 go to the club treasury.

The Treasurer's Report was given by the club Treasurer N4SET.

Randy Harris KI4VLW thanked everyone for their help in the recent Hamfest in whatever capacities they served. When asked if he would serve as Hamfest chair again next year, he AGREED to chair the event in 2011.

Tonya Campbell did the concessions for the Hamfest and thanked everyone for their help and AGREED to chair the concessions again for 2011.

A motion was made, seconded, and voted to donate \$300 to AB Tech Community College from Hamfest proceeds as a "thank you" for the use of the Simpson Auditorium for meetings and other areas to administer license exams during the year.

Dean Blair K2JB gave an update on the status of the club repeater that was hit by lightning and reported that the unit is still being worked on and is not available just yet. He says that repairs and set up will proceed as soon as possible.

Dean stated that he would present the meeting program in September relating to his two days on the US Aircraft Carrier Dwight D. Eisenhower and share his experiences.

The meeting program was presented by Dave Anderson K4SV called "Building your amateur station on a budget."

Via color pictures/computer, he showed hints and ideas for using junk-box parts and hardware store items for putting together connectors and such for the station. He included grounding strategies, antenna switching methods, coax line running and feeding. He entertained questions and comments after the program.

The meeting was adjourned at 2100 with refreshments and fellowship following.

PUBLIC SERVICE EVENTS

Sept. 11-12: MS Mile Bike Ride, New Bern.

Sept. 18-19: Ride Without Limits, Camp Kanata, NC.

Sept. 25: ADA Step Out Walk for Diabetes, RTP, NC. For all previous events go to www.hampublicservice.org

NORTH CAROLINA SECTION NEWS

Bill Morine, N2COP, NC Section Manager

NORTH CAROLINA BROADBAND EXPANSION

Gov. Perdue recently announced \$255 million will be used to extend broadband services across the state. Some Hams have expressed concerns that this expansion might include Broadband over Power Lines (BPL) systems. Many will remember that utilities in North Carolina experimented with such technologies, some of which did cause interference in Amateur Radio frequencies. This new proposal will consist of both wired and wireless technologies. We will monitor the types of systems which are proposed to be installed, and should we identify any technologies which will adversely impact Amateur Radio, we will work to get such systems changed to ones which do not cause Amateur Radio interference. If you ever have concerns about any state initiatives or would like help in crafting a response to state officials about this or other state issues, feel free to send a draft copy first to our section State Government Liaison (SGL) Bob Conder, K4RLC, at k4rlc@arrl.net. Bob will gladly review your material and make sure your content is factually accurate.

STATE ANTENNA LAW

Cleveland County (Shelby, Kings Mountain) is revising its ordinance regulating antennas to come into compliance with the 2007 North Carolina state antenna law. Many municipal zoning officials are still unaware or unfamiliar with this law. A reminder to all that the state antenna law does not bring relief to those living in subdivisions or neighborhoods with deed or covenant restrictions. However, if you live in an area where only city or county ordinances regulate antennas, the state law does apply. You can find a copy of the law at: <http://www.ncleg.net/Sessions/2007/Bills/House/PDF/H1340v4.pdf>

MILITARY COMMUNICATIONS REUNION

The Veteran Communicators Reunion (VCR) is an informal organization of former military communicators and electronics techs, MARS operators, ham operators, and civil servants, who served in military communications (all services) through the decades. They will have a reunion in Charleston, South Carolina October 7-10. More information at

<http://www.veterancommunicators.org>.
